ONE GROUP. ONE GOAL. EQUALS OPPURTUNITY.

HAF Architects established in 1992 is a small professional family owned practice with a diverse range of project types. We have done projects all the way from small residential remodels to million dollar hotel and office buildings and everything in between. Maintaining a small firm has allowed the principals to maintain a close relationship with team members, this experience creates value.

OFFICE

A modern two-story office building with a light-colored, textured facade. The building features large, dark-framed windows on both floors. A balcony with a metal railing is visible on the second floor. The building is surrounded by trees and a clear blue sky. A street lamp is visible on the right side of the image.

BUILT 2012

A photograph of a modern, two-story office building at night. The building features a dark, corrugated metal facade and large, multi-paned windows that are brightly lit from within, revealing office interiors. To the left of the building, a wooden deck with a black metal railing is visible, adorned with warm white string lights. A small sign with the word 'LOLO' is hanging from the lights. The building is situated next to a brick structure on the right, which has a dark door. The sky is a deep blue, and bare tree branches are visible in the upper right corner.

HAF BUILDING

OFFICE BUILDING
4,000 S.F.

BUILT: 2013

A modern hotel lobby with a high ceiling, large windows, a fireplace, and contemporary furniture. The space features a mix of orange, red, and blue seating, a large patterned rug, and a central fireplace with a television mounted above it. The architecture includes a mezzanine level with glass railings and a large chandelier hanging from the ceiling.

RESTAURANT

A wide-angle, low-perspective photograph of a restaurant interior. The space is long and narrow, with a polished floor reflecting the overhead lights. On the left, there are several round wooden tables with dark chairs. On the right, a long bar with a light-colored countertop runs the length of the room, with high-top stools. The ceiling is industrial, featuring large, exposed metal ductwork and a series of pendant lights, including a large cylindrical one in the center. The walls are a mix of wood paneling and brick. At the far end of the restaurant, a bright doorway leads outside, with an 'EXIT' sign above it.
